Cricketing Tourists Needed

The Hong Kong Sixes are right around the corner and the Shanghai Cricket Club is planning on sending a Dragons and a Pirates squad of eight players each down for the weekend. We are now compiling a list of interested tourists.

Please contact Andy Scott at andy@cricketshanghai.com for more details or to book your place on the tour. Any players wishing to participate should contact Andy by November 8.

About the Hong Kong Sixes

The ICC award winning Hong Kong Cricket Festival was first staged in 2002 and is one of the most popular events on the Asian Cricket Sixes Tour calendar. The Shanghai Cricket Club has been sending teams to this event since 2004, winning the cup in 2007.

In addition to three days of sixes cricket, each player will get a ticket to the catered tournament dinner held on Saturday night and invitations to the Thursday night kick-off function and the Friday night cocktail party.

Additional information on the tournament can be found at www.hkcricketfestival.com.
